

## Ready-to-use Hi-Quality ESD Safe Table Mats as per your size

**INDE**  
reliable & caring since 1976

Creates ESD Safe environment against damaging static charges

2-Layer ESD Rubber Mats have a top layer of static dissipative rubber layer laminated to a black conductive rubber bottom layer. Surface resistivity of the top layer is  $10^6 \sim 10^9$  ohm and the bottom layer is  $10^3 \sim 10^5$  ohm. Our 2-Layer ESD Rubber Mats are resistant to commonly used solvents in electronics assembly/repair work.

These Table Mats are strongly recommended as first basic requirement when setting-up ESD Safe Workstation for electronic assembly/repair/field servicing. ESD Safe working environment is necessary to protect expensive micro-electronic devices.

### Specifications:

- |                                  |                                  |                                    |                 |
|----------------------------------|----------------------------------|------------------------------------|-----------------|
| • Resistivity of surface layer   | : $10^6 \Omega \sim 10^9 \Omega$ | • Colour/Finish                    | : Green, Matte  |
| • Resistivity of bottom layer    | : $10^3 \Omega \sim 10^5 \Omega$ | • Thickness                        | : 2 mm          |
| • Wear rate                      | : $0.02g/cm^2$                   | • Tensile strength                 | : 4 ~ 6Mpa      |
| • Electrostatic dissipation time | : $< 0.1s$                       | • Elongation at break              | : 250%          |
| • Impact Brittleness             | : $-250^\circ C$ without         | • Tear Strength (Right Angle Type) | : 20.6KN/m      |
| Temperature (no incision)        | destruction                      | • Temperature resistant            | : $120^\circ C$ |

Our Hi-end Top most quality long lasting ESD Safe Rubber Mats

Low cost & Low quality ESD Rubber Mats others supply

**We specialize in supplying ready-to-use ESD Safe Table Mats as per sizes of customers**  
**Following sizes are what we are supplying commonly to many customers at present**  
**We also supply Full Rolls of these ESD Safe Table Mats in 0.9x10 & 1.2x10 meter sizes**

10mm Snap Button to connect Wrist Strap and Grounding Cord

Part Number	Size (Feet)
ESDTM-0203	2 x 3
ESDTM-0204	2 x 4
ESDTM-0205	2 x 5
ESDTM-0206	2 x 6
ESDTM-0207	2 x 7
ESDTM-0210	2 x 10
ESDTM-0215	2 x 15

Part Number	Size (Feet)
ESDTM-0304	3 x 4
ESDTM-0305	3 x 5
ESDTM-0306	3 x 6
ESDTM-0307	3 x 7
ESDTM-0308	3 x 8
ESDTM-0312	3 x 12
ESDTM-0315	3 x 15

**We also stock for immediate delivery following accessories for ESD Safe Table Mats**

#### Grounding Cord

P/N: IGC-1601

- Designed to ground ESD Table Mats
- Provides two grounding points, one for Wrist Strap & other for connection to ground
- One end has Snap Button & 2 Banana Jacks; other end has Grounding Thimble
- Length: 2 meters (approx.)

#### ESD Safe Wrist Strap

P/N: IWSESD-1602

- Elastic Polyester Fabric with conductive plated threads
- In-built 1 MOhm resistor
- Length of Cord: 6' (approx.)
- Snap Button at one end & Banana Plug with Alligator Clip at other end
